# DK BENCH

DK is honouring Scandinavian design and brings to mind masterpieces from the 1950s. An elegant and stable frame in aluminum with contrasting details that enhance the feeling and keep DK current - for a long time. The consistently airy feeling in the design is a clear legacy from the Scandinavian classics.

For us it was easy to add an bench, with all the features as the smooth colors and the braided seat in artificial ratta, this too will be a beautiful piece of furniture.
